Information for International Applicants, page 2

Applying

To allow for admissions considerations and visa processing, international applicants are encouraged to apply at least 3 months (90 days) prior to the start of an academic semester.

- If applying for fall, please complete application materials by June 1.
- If applying for spring, please complete application materials by October 1.
- If applying for summer, please complete application materials by February 1.

Financial Aid

The Graduate School of Management offers limited tuition scholarships and Graduate Assistantships. Assistantships are most often awarded on a half-time basis (9 credits per year, half of the annual stipend); it is extremely rare for any GSM student to have their studies fully funded. Information about graduate assistantships is available [here](#). The deadlines to apply are February 15 for the fall semester and November 15 for the spring semester. Applicants may learn more through the [financial aid resources website](#).
