If a student is enrolled in an undergraduate program or professional school at Marquette University, this form should be used to request permission to enroll in a graduate level course. This includes undergraduates taking an upper-division course for graduate credit. The department offering the course will keep the form, and they will send a copy to the Graduate School. Once permission is granted, it is the student's responsibility to register for this course using CheckMarq and the permission number supplied by the department offering the course. If you need any assistance completing this form, please contact the Graduate School at 414-288-7137.
